

THE LIBERTIES

48 Thomas Street, Dublin 8 · a fictional agency

CLIENT BRIEF

Client: Guinness (Diageo) Brand: Guinness 0.0
Job: LIB-2026-0114 Date: 12 January 2026
Air date: 15 August 2026 (Premier League opening weekend)

THIS IS A FICTIONAL SPEC PITCH

Not real Guinness work and not real agency work. Built as a demo for Flowstate.
The market figures cited are real and sourced. Everything else is invented.

1. WHY ARE WE HERE?

Great Britain is the only European market Diageo grew in FY25 – up 3.5%, driven by double-digit organic net sales growth in Guinness. Southern Europe fell 6.0%. Northern Europe fell 13.9%. Meanwhile the non-alcoholic portfolio grew roughly 40% against a company total of 1.7%. Guinness 0.0 is already Great Britain's number one non-alcoholic beer. We are not creating a market. We are defending one we already lead.

Source: Diageo plc, Form 20-F 2025 (year ended 30 June 2025).

2. WHAT IS THE PROBLEM?

0.0 is still bought apologetically. The category talks to people who have stopped drinking. The growth is in people who have not stopped – who are paced, driving, or working tomorrow, and who want the ritual without the alcohol. Every competitor sells absence. Nobody sells the thing that is still there.

3. WHO ARE WE TALKING TO?

Not the abstainer – that category is solved and it is not where the growth is. The designated driver on round three. The mid-week moderator on a Tuesday. The friend who does not want to explain herself, or be handed a lemonade.

4. SINGLE-MINDED PROPOSITION

Guinness 0.0 is not a compromise. It is the same 119.5 seconds.

5. WHY SHOULD THEY BELIEVE IT?

Because the wait is real and we did not invent it. The pour does not care what is in the glass. Hold it to the light and it is not black – it is ruby. That is true of 0.0 exactly as it is true of the pint beside it.

6. MANDATORIES

- Portman Group code compliance on every 0.0 claim.
- Clearcast on all four cutdowns before air.
- The 119.5-second claim requires substantiation, or the super changes.
- Sound-off build mandatory for the 6" bumper.

7. DELIVERABLES

60" / 30" / 15" / 6" across 16:9, 9:16 and 1:1. OOH: four Dublin sites.

Audio: 30" DAB and streaming. Stills for retail.

8. WHAT WOULD MAKE THIS FAMOUS?

Guinness has spent forty years telling people that good things come to those who wait.

This is the first time the waiting has meant something other than the drink.

Fictional spec pitch. The Liberties does not exist. Guinness is a real brand; this is not their work.
